10/24/91

Mayor Paul Gordon
City of Frederick,
Frederick, Md. 21701

Dear Mayor Gordon,

Thank you very much for the pleasanr surprise!

Driving into town, as far as the bridge-repair work, the white line has been painted on the edges of Shookstown Road, as I saw.

I presume that the same will be done on the other short stretch, to Baughman's lane.

Beginning at Montevue there had been a white stripe. It was obliterated when the surface was recoated several years ago.

There it had had the additional value of helping avoid damage to the lawns and shrubbery of the houses so close to the road.

Again, thanks.

Sincerely,

Harold Weisberg
